RECENT REPORTING HISTORY UNDER THE PRINCIPAL INTERNATIONAL HUMAN RIGHTS INSTRUMENTS

as of 31 March 2001

At their eleventh meeting in June 1999, the chairpersons of human rights treaty bodies recommended that the Office of the High Commissioner for Human Rights (OHCHR) produce a document, on an annual basis, outlining the reporting history of States parties to the treaties.

This document was prepared pursuant to that recommendation. It lists for all 189 Member States of the United Nations and for 4 additional States, territories or entities that are a party to one or more of the main international human rights treaties, the last report(s) submitted under the treaties and examined by the corresponding monitoring bodies and the next report(s) due, including any reports that may be overdue. It is current as of 31 March 2001.

The information contained in this document emanates from the Treaty Body System (TBS), an electronic database that manages information relating to many aspects of the work of the six treaty monitoring bodies. The TBS is publically accessible through the United Nations Human Rights Website (http://www.unhchr.ch). Any inaccuracies found in this document or in the TBS may be communicated to OHCHR by email through the website administrator (webadmin.hchr@unog.ch) or by fax or courrier as indicated below. The present document reflects the corrections brought to the attention of the Secrretariat since the publication of the preceding version.
